What are your educational goals?

What are your long-term career goals?

Are you presently working part-time? Yes No

If so, where are you working?

Are you willing to make a commitment to keeping excellent attendance, working hard, and following O2 program expectations? This includes participation in *all* components of the program including academics, school trips, work placements, and other related activities?

Yes No

Part 2 - To be completed by parent/guardian:

What are your goals for your child?

How do you think this program can better meet your child's learning needs and help improve his or her school achievement?

What are your expectations of this program?

The O2 Program requires the involvement of families, students, school, and community working in partnership so that students graduate and continue to further their education or follow employment opportunities. This will include a community-based learning component. The school will require your full support for your child to achieve program goals. How do you see yourself in a supporting role for your child?
