

Northside Family of Schools Proposals

School	Proposal	Students to be Accommodated	Scenarios	Comparatives
Memorial High	9-12	All grade 9 to grade 12 students in the family of schools.	6; SAC 18	Similar to suggestions for Cabot Jr/Sr High, Glace Bay High , and Sydney Academy, where 9 to 12 schools are suggested.
Dr. TL Sullivan	P-8	All Grade 7&8 students from Dr. TL Sullivan plus French Immersion from Family of Schools. Also, Grade 6 students from Bras d'or and Boularderie. All students from Florence elementary	12; SAC 18	Creation of a Primary to 8 school similar to suggestion for a Primary to 9 school at MacLennan Jr High in Westmount; Primary to 8 suggestion for Route 22; Primary to 8 school suggestion for Harbourside and a Primary to 8 school suggestion for Donkin.
Sydney Mines Jr High	Review for permanent closure		8; SAC18	Older School needing replacement similar to Breton Education Centre, MacDonald Elementary, Mount Carmel, St. Agnes, Sydney Mines Junior High, Thompson, and Tompkins
Thompson	Review for permanent closure		8; SAC18	Older School needing replacement similar to Breton Education Centre, MacDonald Elementary, Mount Carmel, St. Agnes, Sydney Mines Junior High, and Tompkins
New Middle School which could be a newly constructed school or a renovation to Staff Development Centre	6-8	Grades 6-8 from North Sydney and Sydney Mines	8; SAC18	Like the Glace Bay Family of Schools where there is a similar situation although at the elementary level. There is need to create new space but which has a new school versus renovation dynamic.

Northside Family of Schools Proposals

School	Proposal	Students to be Accommodated	Scenarios	Comparatives
Boularderie	Review for permanent closure		SAC 4	Closure of school with students to be accommodated in nearby school similar to John Bernard Croak, Mira Road, Seton, and St. Joseph's. There is also a similarity to Sherwood Park where relatively new infrastructure is being suggested for closure. Boularderie was refurbished in 2002. Closure would result in forfeiture of \$150,000 grandfathered small school grant.
Bras d'or	P-5	Boularderie and Bras d'or grade primary to 5 students.	SAC 4	Consolidation of two schools in a P- 5 setting similar to Ferrisview, Greenfield, Jubilee and St Anne's. Mountainview and Sydney River are also similar but a P to 6 setting.
Jubilee	P-5	Jubilee and St. Joseph's primary to grade 5 students	9;	Consolidation of two schools in a P- 5 setting similar to BrasD'or, Ferrisview, Greenfield and St Anne's. Mountainview and Sydney River are also similar but a P to 6 setting.
St. Joseph	Review for permanent closure		9;	Closure of school with students to be accommodated in a nearby school similar to Boulardrie, John Bernard Croak, Mira Road, Seton, and St. Joseph's .
Ferrisview	P-5	Seton and Ferrisview students P-5	10; SAC18	Consolidation of two schools in a P- 5 setting similar to BrasD'or,Greenfield,Jubilee and St Annes. Mountainview and Sydney River are also similar but a P to 6 setting.

Northside Family of Schools

School	Proposal	Students to be Accommodated	Scenarios	Comparatives
Seton	Review for permanent closure		10; SAC18	Closure of school with students to be accommodated in a nearby school similar to Boulardrie, John Bernard Croak, Mira Road, and St. Joseph's .
Florence	Review for permanent closure		SAC 18	Similar to Whitney Pier, Westmount and Donkin, combine an elementary and Junior high student population.
