

## Sydney Family of Schools Proposals

School	Proposal	Students to be Accommodated	Scenarios	Comparitives
Sydney Academy	9-12	All 9-12 students in the Sydney Family of Schools	20	Similar to suggestions to Cabot Jr/Sr High, Glace Bay High , and Memorial High, where 9 to 12 schools are suggested.
Sherwood Park	Review for permanent closure		21;22	This is a unique situation in it is the only P3 school being suggested for closure. There is a similiarity to Boulardrie where relatively new infrastructure is being suggested for closure
Whitney Pier Memorial	Review for permanent closure		21;22	This is unique in it suggests repurposing Whitney Pier Memorial to address all the administration needs of the Board
Brookland	6-8	Current 6-8 students in Sydney Family of Schools with the exception of those in the Harbourside catchment area.	23;Public 12	Like the suggestion for replacement of Sydney Mines Jr High and Thompson Jr High with a Middle School, however, given the age of Brookland, does not have the new versus renovation dynamic.
Cusack	P-5	Current P-5 students plus some Brookland P-5 students based on boundary realignment	23;Public 12	Like Shipyard, requires a boundary re-alignment to accommodate P-5 students currently accommodated in Brookland.
Shipyard	P-5	Current P-5 students plus some Brookland P-5 students based on boundary realignment	23;Public 12	Like Cusack, requires a boundary re-alignment to accommdate P-5 students currently accommodated in Brookland.
