NETWORK SECURITY

Scope

This policy applies to all users of technology resources and services of the Cape Breton-Victoria Regional School Board.

Purpose

The purpose of this policy is to ensure that all schools are properly wired by certified Board personnel to supply sufficient network security.

Policy Statement

It is the policy of the Cape Breton-Victoria Regional School Board that each school within the Board’s jurisdiction is provided with appropriate infrastructure.

Cross Reference

CBVRSB Network Access and Use Policy PSS255

Authorization

This policy has been authorized by the Board under motions number 2015-01-25.

Responsibility

It is the responsibility of the Director of the Operational Services Department of the Cape Breton-Victoria Regional School Board to ensure that this policy and administrative procedures are implemented.

Implementation

The Coordinator responsible for Technology will implement the policy and administrative procedures.
Procedures

1. Network security will be setup and maintained by authorized school personnel.
2. The network security system will include anti-virus software.
3. A firewall will be setup on each system.
4. Board personnel will assign user login and passwords.
